INTRODUCTION

The Bible is a beautiful story! I get **so** excited when I study God's Word because it's like a puzzle that He masterfully wove together throughout the books of the Bible and it all fits together to reveal His perfect plan...it is a mysterious plan to bring everything under the power and subjection of God.

Let's Seek to Know The *Truth* About God's Word

I hear many people challenging what the **Word of God** says in support of what others say about the Word of God! Please let us **seek to know the truth**, however, and *not* believe our *own opinions*, what we *want* to hear or what we have come to accept as truth just because someone *said* it to us, yet we never searched the Word of God to prove it for ourselves. Let's seek after **God's wisdom...to *rightly divide the Word of God as the Holy Spirit gives us wisdom.***

I've listened to multiple teachings on the topic of the **End Times** and **The Rapture** over the course of my life. I say this regrettably and respectfully, but I believe many people's understanding of the **End Times** is *not* correct.

God Promises a Blessing To Those Who Read Revelation

"Blessed is he that *readeth*, and they that *hear* the words of this prophecy and *keeps* those things which are written therein," (Revelation 1: 3). "If any man *adds* to these things, God will add unto him the plagues that are written in this book. And if any man *shall take away* from the words of this book, God will remove that person's share in the Book of Life and out of the holy city and from the things written in this book" (Revelation 22:18 – 19).

This is a **5-Part Series**...*each* will focus on the opening of the **Seals** in Revelation which reveals **End Time events**. I will introduce *key End Times'* characters and begin to focus on events taking place like the **Great Tribulation**, **The 2nd Coming of Christ**, **The Battle of Armageddon**, and **God's Wrath**.

Please Read The Great Tribulation Backstory...it's GREAT!

The Great Tribulation - The Backstory is a *great novel* I've written and included with fictional characters. Please read it...I believe it will provide a better understanding of the **End Times** and also serve as a **warning** to others of what *not* to do (**DO NOT TAKE THE MARK OF THE BEAST**)!

OUTLINE

- I. **The Seals and What They Represent**
 - a. Seals 1 – 4 – Judgment on Israel (Jerusalem)

Our focus in this series will be on the **End Times**. We are starting at the **end** of the story (in the book of Revelation) where we will examine the **Seals** *briefly* to begin to understand what they represent.

MAKING THE CUT (Genesis 6:5 – 13; 7:1)

Have you ever been in a situation where two people were asked to choose teams from amongst their peers, and you worried whether you would be chosen? More accurately...**when** you would be chosen? No one wants to be picked last... sometimes it matters *not* to be the **last** to be chosen.

In our text today, we read about Noah...the scripture reads, “Finally the day came when the Lord said to Noah, “Go into the boat with all your family, for among all the people of the earth, I consider **you alone** to be righteous.” (Genesis 7:1)

In our text, Noah wasn’t the *first* or *last* to be chosen...he was the **only one chosen**! His family received a blessing because **he** was chosen. Can you imagine the God of the Universe saying that **you alone** are righteous? Or, worse to be on the *opposite* side of that statement, when the God of the Universe said, “I have decided to destroy all living creatures for the earth is filled with violence.”

Sometimes we get so caught up in our day-to-day responsibilities and obligations that we sometimes fail to consider **where we are** in our relationship *with* God.

Would He have chosen us back in Noah's day? Would God have considered us righteous? Or would we have been destroyed along with everyone else?

Another day is coming when the God of the Universe will once again judge the world..."to give to each man their due rewards according to the results of their deeds" (Jeremiah 17:10). Will we hear God say, "Welcome Home Good and Faithful Servant" when we breathe our last breath or will we sit trembling prior to death wondering *where* we will spend eternity?

While we still have breath in our lungs, let's please consider our relationship with God...are we right with Him? Do we know we are in right standing with Him...that we have accepted Him as Lord and Savior and can say with confidence that we know "We will be chosen" to spend eternity with Jesus?
